KALAMA TELEPHONE COMPANY

SCHEDULE NO. 6

TELEPHONE ASSISTANCE PROGRAM

(D)

(T)

(D)

The Company participates in the Lifeline program. Subscribers may be eligible for the Lifeline service offering ("Lifeline service") under Subpart E of Part 54 of Title 47, Code of Federal Regulations ("CFR"). Within the service areas for which the Company is designated as an "eligible telecommunications carrier" pursuant to Subpart C of Part 54 of Title 47 CFR, the Company offers Lifeline service to qualifying low-income consumers.

(T)

Lifeline service is a non-transferable retail local service offering that is available only to qualifying low-income consumers and for which qualifying low-income consumers pay charges that have been reduced in accordance with Subpart E of Part 54 of Title 47 CFR. In addition, for an "eligible resident of Tribal lands," as defined in § 54.400 of Subpart E of Part 54 of Title 47 CFR, the Company's Lifeline service charges are further reduced in accordance with Subpart E of Part 54 of Title 47 CFR.

(T) (T)

The Company's offering of Lifeline service includes "toll limitation" only in the form of "toll blocking" (and not "toll control"), as those terms are defined in Subpart E of Part 54 of Title 47 CFR. "Toll blocking" is available with respect to Company-provided Lifeline service at no Company charge to the Company's subscriber to such Lifeline service.

On the issue date of this tariff sheet, "toll blocking" is defined in § 54.400 of Subpart E of Part 54 of Title 47 CFR, as "a service provided by an eligible telecommunications carrier that lets subscribers elect not to allow the completion of outgoing toll calls from their telecommunications channel." "Toll blocking" does not necessarily result in the blocking of collect calls to the subscriber's telephone line or the blocking of calls billed from another location to the subscriber's telephone line.

KALAMA TELEPHONE COMPANY

SCHEDULE 6 (Continued)

TELEPHONE ASSISTANCE PROGRAM (Continued)

(T)

If the service areas for which the Company is designated as an "eligible telecommunications carrier" pursuant to Subpart C of Part 54 of Title 47 CFR includes any "Tribal lands," as that term is used in § 54.413 of Subpart E of Part 54 of Title 47 CFR, then, with respect to such "Tribal lands," the Company also offers "Tribal Link Up," as defined in § 54.413 of Subpart E of Part 54 of Title 47 CFR to each "eligible resident of Tribal lands," as defined in § 54.400 of Subpart E of Part 54 of Title 47 CFR. Tribal Link Up provides, under certain circumstances, (i) a reduction of the customary charge for commencing telecommunications service and (ii) other benefits pertaining to such charge and to interest charges, if any, that may apply thereto, all as specified more fully in Subpart E of Part 54 of Title 47 CFR.

(T)

The availability of the telephone assistance programs described in this schedule, or any of them, to any otherwise eligible subscriber or applicant may be subject to such subscriber or applicant granting his or her written consent to disclosure and/or transmission by the Company of certain information pertaining to that subscriber or applicant, including, but not necessarily limited to, his or her name, other subscriber- or applicant-identifying information, the service address to which the relevant telephone assistance program service is being applied for and/or is being furnished, the specific assistance program in which the subscriber or applicant participates or has applied to participate, and the date or dates of such participation or requested participation, all in accordance with Subpart E of Part 54 of Title 47 CFR.

Business With Us

Eligible Telecommunications Carrier

Kalama Telephone Company has been the local telephone company service in the Kalama area since 1904. During the intervening years, we have worked hard to build a telephone system that would provide high quality telecommunications service to the communities. we serve. We have done this, notwithstanding the higher cost of serving areas in the State of Washinhgton and when few, if any, other telephone companies are interested in serving our communities.

We have served and intend to continue to serve both residential and business customers in our service area with advanced telecommunications including internet access, high speed data services, special calling features and voice mail.

The basic services offered by Kalama Telephone Company are comprised of several components. At minimum, these include:

Services offered

INFORMATION

EPHONE

Single party, voice grade access to the public switched network, including an unlimited amount of local usage (basic grade of service)

Monthly Charge Residence \$16.00 Business \$21.00

Dual tone multi-frequency signaling or its functional equivalent (i.e., tone dialing) No additional charge

Access to emergency 911 services There is no additional charge by Kalama Telephone Company to end user customers for the ability to access emergency 911 services.

Access to operator service

There is no additional charge by Kalama Telephone Company for the ability to call the operator. However, the call may involve a charge depending on the service requested and the rates of the company whose operator handles the call.

Access to interexchange (Long Distance)

There is no additional charge by Kalama Telephone Company to end-user customers for the ability to place and receive calls through long distance networks of inter-exchange carriers that offer service through our network. However, the call may involve a charge from the inter-exchange flong distance/carrier depending on the type of

Access to directory assistance

There is no additional charge by Kalama Telephone Company to end user customers for the ability to call Directory Assistance. However, the call may involve a Directory Assistance charge, the amount of which depends on the area called the call the call the call the call the called t and the rates of the company whose operators accessed.

Toll limitations service for qualifying low-income customers

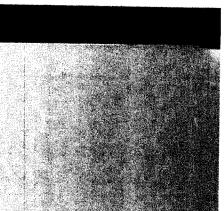

There is no additional charge by Kalama Telephone Company to qualifying low income consumers for toll blocking service. Qualifying low-income customers are generally those participating in the Lifeline program.

Lifeline Program

Kalama Telephone Company participates in the federal Lifeline program. Under this program, Kalama Telephone Company offers to qualifying low-income customers a discount off of the monthly rate for basic residential exchange service. For service on non-tribal reservation lands, Kalama Telephone Company current discounted monthly rate for Lifeline residential service is \$13.25. Additional discounts may apply for service to qualifying low-income customers on tribal property.

*The charges set forth are subject to change, and in some instances are subject to change without notice. Certain non-recurring charges may also apply to installation or change of service. **Applicable Federal, State, County and service. "Applicable rederal, state, Courity and municipal taxes and surcharges, including a federally-mandated end user surcharge per line are in addition to these amounts. *** Discounts off of this rate are available to qualifying low-income customers. *** State and County taxes apply per line to fund the provisions of this capability.

These services are available to all qualifying subscribers of Kalama Telephone Company. The charges for these services are reflected each month on our normal telephone bill and may be Kalama Telephone Company. The services provided by Kalama Telephone Company. The services listed above are those that Kalama Telephone Company offers and must advertise in order to be eligible for federal support funds that are used to help offer the high cost of serving rural areas and offset the high cost of serving rural areas and bringing affordable telephone service to residents and businesses in rural areas. Other services are available by contacting Kalama Telephone Company's business office at 673-2755

Kalama Telephone Company FCC Form 481 (July 2017), Line 1222 Description of Details on the number of minutes provided as part of the plan Per Instructions for Completing FCC Form 481

Kalama Telephone Company only provides its lifeline customers a flat rate local service which includes unlimited local and extended area service (EAS) calling.

Kalama Telephone Company FCC Form 481 (July 2017), Line 1223 Description of, and rates for each such plan Per Instructions for Completing FCC Form 481

Kalama Telephone Company does not provide toll services directly to subscribers. Kalama Telephone Company does provide its subscribers with access to toll providers (long distance carriers). A lifeline subscriber may choose their own toll provider and are subject to the rates of the selected toll provider.

Independent Accountant's Review Report

Board of Directors Kalama Telephone Company, Inc. Kalama, Washington

We have reviewed the accompanying financial statements of Kalama Telephone Company, Inc. (a wholly-owned subsidiary of Scatter Creek, Ltd.) (the "Company"), which comprise the balance sheets as of December 31, 2016 and 2015, and the related statements of operations and retained earnings and cash flows for the years then ended and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.
